

**Presenting the 8th Annual
Dwyer School of Irish Dance Golf Outing
May 18, 2019 - Locust Hills Golf Club**

Please allow this flyer to introduce you to the **Dwyer School of Irish Dance**, which is located in Centerville and Upper Arlington. Our mission is to develop well-rounded dancers by providing a positive, supportive environment that promotes Irish culture, offering quality instruction in the artistry and athleticism of Irish Dance. We are proud of our dancers' Top Five finishes at the Regional, National, and World levels.

We have established an annual Golf Outing in order to raise funds to offset the expenses associated with competition costs and dance workshops. This year's outing will take place **May 18 at Locust Hills Golf Club**. To support our event, we are seeking financial donations with sponsorship opportunities.

In return for supporting our school with a sponsorship, we will provide advertisement for your business during the golf outing. Business cards will be prominently displayed on dinner tables, and all sponsors will be listed on the school website - www.dwyeririshdance.com - as well as on our Facebook page.
